Dear A.S.F.C. members,

Well another conclave has ended, and it seems like only yesterday I attended my first conclave in Oklahoma. I hope this conclave will be as memorable to you, as those I attended over the last four years.

Hosting Conclave is a large task to undertake, and I would like to thank all of you for your thoughts, time, and cooperation. When we needed help many of you demonstrated the true reason for conclave, brotherhood and fellowship, by giving of your time. I would also like to thank the many alumni who donated money and helped judge. A special thanks goes to the head judge Mr. Ken Gibson, our club advisors Drs. Fredrick Cabbage and Walter Cook, the Rock Eagle staff and Mr. Bill Briener of T & S Hardwoods.

Congratulations to Arkansas and all the individual winners. Good luck Texas A & M in your preparation for the 29th Conclave. I am sure it will be a good one.

Sincerely,
Dale W. Hogg

Dear ASFC members,

On behalf of the University of Georgia's School of Forest Resources, we wish to thank all of the clubs--their members and advisors--for helping to make the 28th Annual ASFC Conclave a success. The Georgia foresters were working hard to make the Conclave an outstanding part of the University's Bicentennial celebration. From the comments we heard, they certainly succeeded (with a little help from the weather).

Also, by meeting at Rock Eagle, the Conclave itself returned to its roots; Conclave I was held on that very same field in 1958. The same spirit of fierce but friendly competition that has been characteristic of previous Conclaves was very evident at Rock Eagle. And speaking of competition, we are happy to see the growing esteem with which the women's events are held; it seems that new records are set each year.

We are happy that you all came and visited us in Georgia, and we are looking forward to next year's Conclave in Texas.

Sincerely,

Walter L. Cook, Jr.

Dear ASFC members,

Conclave 1985 is over but many years will be spent reminiscing the thrills of victory and the agonies of defeat that were experienced at Rock Eagle. Even more memorable is the fun and fellowship that finds its way into every ASFC Conclave.

Hosting Conclave is a big job that was made easier by your cooperation and the many generous people who donated their wisdom, time, and money to make the 28th ASFC Conclave a success.

We hope the Southern Forester vividly illustrates the exciting competition of Conclave '85 and serves to inspire Texas A&M to make Conclave '86 the best ever.

To those who won - congratulations! To those who didn't - your sportsmanship is admirable. Hope ya'll had as much fun as we did. See you in Texas.

Sincerely,

Tim Smith

The 1985 Conclave was enjoyed very much by the North Carolina State Forestry Club. We appreciate the opportunity to compete in this annual event. Our Forestry Club will sponsor Rolleo on October 26, where each class competes in Conclave events for the title of best in the Forestry Department. On August 20-23, the Forestry Club will help sponsor orientation for incoming freshmen and transfer students.

On September 20, the club will sponsor a picnic for those interested in joining the Forestry club. We are also involved in a logging demonstration in Greenville on September 21st. On October 14, the club will participate in a open house for high school students. The Forestry Club contributes to forestry awareness by having a booth at the North Carolina State Fair each year.

In November, we will work with fraternities to cut wood for the needy in Raleigh. The Forestry Club will furnish the equipment such as saws and wood splitters and will help maintain the safety of this project.

The Spring semester will be filled with activities such as Ag Week, the Winter SAF meeting, and the Logger's Brawl. Ag Week gives awareness of what we do, to other majors at N.C. State. The 1986 Winter SAF meeting is held in Raleigh this year and we are involved in setting it up. Our final fling of the semester is the Logger's Brawl. This gives club members and guests a chance to kick up their heels to bluegrass music and enjoy good food. Throughout both semesters, the club earns money by doing tree jobs and contract planting.

We are looking forward to participating in the 29th Conclave.

This past year was quite different from previous years for the UGA Forestry Club. Hosting conclave during the Universities' 200th birthday was both fun and challenging. The club was also involved in many other activities during the year.

In the fall, our annual Fall Brawl field day was held to give us a chance to practice conclave events and drink alot of beer. The UGA Forestry Club set up booths at various career days during the year to promote forestry. During winter quarter, we had another field day and our annual Snowball Dance featuring "Southern Crescent" which played at conclave.

The Student Chapter of the Society of American Foresters sponsored The Forestry Roundtable. This is the first one of an annual event which got together professional foresters and students in a informal atmosphere to talk forestry and share experiences. This event is the first of its kind in the country.

The club also helped the University of Georgia celebrate its bicentennial by sponsoring events at the Exposition. 1984-85 fund raising activities were t-shirt and hat sales. Two meetings are held monthly featuring guest speakers.

Thanks goes to all who attended the 29th Conclave, it was lots of fun.

Oklahoma

Louisiana Tech

The Louisiana Tech Forestry Club kicked off the year with a membership drive and party. This was just one of several parties held during the year. Finally, we will end the school year with our annual spring party, which consists of a crawfish boil and a beer bust. During the 1984-1985 year, our club had several fund raising projects. Our main fund raising activities included a gun raffle, selling pecan trees, and selling firewood. Next year's fund raisers will include a raffle and a christmas tree sale.

The Forestry Club will open the 85-86 school year with a "rush" party to be held the second week of Fall Quarter. The objective of this meeting will be to stimulate interest in the club and its role in the 29th Annual Conclave.

The Louisiana Tech Student Chapter of the Society of American Foresters has had a full and exciting year. This year we saw our Club grow, and we hope that the support will continue within the Forestry Club. Thanks goes to everyone who made 1984-1985 a success.

We had a great time and we're looking forward to seeing ya'll next year at Texas A & M.

Florida

The UF Forestry Club will again enjoy a busy school year. Flatwood frolics, Gator Expo, a probable pulpwood cut, a Christmas tree sale, a block at the Gator football games, and Homecoming in the fall will keep us catchin' our breath. The Spring semester will be much less hectic and will give us Gators a chance to practice our events and improve on that 11th place finish at Conclave! At this time the only thing on tap for next spring is our annual Field Day. However with the new students presently attending our first summer session in ten years there will no doubt be plenty to do! See you all in Aggie Town in 1986!
